DESCRIPTION

Last edition of the high end Flybridge renowned Dominator range, the Dominator 640, has been carefully designed by the talented Alberto Mancini. It reflects the close attention of the yard to continue investing in the future. As result of this intensive work Dominator extended again nautical standards of a luxury and features on 65 Flybridge unit. This premium flybridge yacht built in A Class, is keeping the shipyard DNA characterised by an excellent seaworthiness thanks to its modified Deep-V hull and its exceptional comfort at cruising with a particular attention made for the noise and vibration reduction. Located in Spain, she was maintained by her first and sole owner since her launch in 2014, in an excellent mechanical and esthaetical condition. Very well motorised with 2 caterpillar engines C18, she is ready for her next owner to go for the next season. An safe choice and an excellent pickup!
