Description

This very known fonctional and succesful model in its time Falcon 86, very generous in volume and functional flybrige, took benefit by its present owner benefit of a full mechanical refit with notable engine overhauling on her two caterpillar with only 200 hours since 2018, change of transmission coupling, water tight sealing shaft replacemetn, heat exchanger cooling circuit full service, new exhaust insulation, both generator full service, new chains, new windlass and new navionics and more... She is now back in order and as reliable and enjoyable as a 90 footer range pleasure yacht should be. VAT paid unit, in a good maintenance and easthetic condition, her generous cherry varnished interior will serve her new owner with efficiency and style for many more years from now, and excellent affordable deal for a yacht which has still a lot to offer.
