DESCRIPTION

The 'Mangusta 165' is the world's fastest fiberglass Open Yacht ever built. Combining state of the art technology with extreme comfort, these beautiful luxury charter yachts have been turning heads in the Mediterranean over the last few years. With a top speed of 37 knots, the Mangusta 165 yacht exceeds all expectations in terms of performance and affords their guests the ability to see and do more whilst on their luxury yachting vacation with friends or family. However, is not just about speed, the Mangusta 165 also offers charter guests the highest levels of comfort. This elegant superyacht also features extraordinarily spacious interiors with four or five staterooms and a living space. The Mangusta 165's well-equipped and ergonomic pilot house give these charter yachts the highest level of sophistication.
