Description

She was launched in 2014, this vessel and totally reffited in 2019 to come back today on the market with an irreproachable condition. This fast semi-displacement vessel can reach the speed of 23,5 knots. Designed by Francesco Paszkowski, this full feature 50 meters offers generals volumes from a beach club at stern up to her large sun deck. She can serve up 12 guests in her clever 6 cabins layout. The full master suite located on the main deck features modern minimalist vibe and opens into an elegant private study. On the lower deck, there are three VIP cabins and two twin cabins, all fitted with their private head. Please, contact us for more information.
