Description

The layout of M/Y ABSOLUTE was conceived with the emphasis on spacious arrangement and loads of natural lighting. With three dedicated sunbathing areas: one at the bow with a large folding sunpad, and two on the fly, she offers an exceptional place for those who love seing at in the sun. The large shaded dining table at the aft deck and the other at the fly will assure plenty of lively moments, whether it comes to fancy cocktails, romantic dinners or family celebrations. The spacious salon with comfortable white sofas and large-screen television creates a perfect area to relax. Panoramic windows allow plenty of natural light through. The yacht sleeps up to six guests in three modern design staterooms. The master cabin and the VIP cabin are accommodated with a king-size bed and the third cabin with twin beds. With IPS Volvo Penta, the navigation of M/Y ABSOLUTE at cruising speed of 26 knots is very smooth and the fuel consumption is reduced by 30%. The revolutionary “Sea-keeper” stabilizer minimizes the roll and ensure a comfortable cruise guaranteeing passengers pleasant experiences while enjoying the Mediterranean Sea.
