Description

Second owner since new and ongoing Italian lease on this Yacht, which has always used privately and maintained in a mint condition, this Ferretti 750 is probably the Best bought to value on the market at present. Nice layout and full option specification with hydraulic platform teak in all deacks and antirolling gyroscope for this Ferretti 750. THis successfull large fly bridge and generous four cabin layout, ferretti model was maintained at her best since new, and owner is serious selling now since he went to his next larger yacht.
