DESCRIPTION

The FERRETTI CUSTOM LINE NAVETTA 28 is a 28.31m compact, yet spacious luxury tri-deck motor yacht, designed by Zuccon International Project with Ferretti Engineering Department developing the naval architecture. This fine example CUSTOM LINE NAVETTA 28 for sale was built in 2015 and carries the space and feel of a Superyacht which is quite amazing given she's built below the 24m load-line length and therefore not subject to full Class regulations.
