Description

The magnificent Rivamare is a new Riva icon that rewrites the rulebook of timeless elegance once again. With a production line exclusively dedicated to, the new 40 footer speedboat is the worthy successor of masterworks like Aquariva Super and Aquarama. It combines the style and charm of these legendary models with the most cutting edge technologies, and offers the greatest care for every detail, together with a level of comfort and spaces never seen before in boats of this size. With its sinuous and sleek lines, the new model looks seductive and sporty as soon as you set your eyes on it. The boat's profile has a distinctive double-curved laminated crystal window at the level of the cabin. The most eye-catching feature on the deck is the windscreen, consisting of 5 double-curved laminated crystal glass sections set in a stainless steel frame, fitted with a rail for the cockpit cover.
